

## FOOD SERVICE

Food service is offered at the Retreat Lodge, for guests staying in the Upper Level or Upper *and* Lower Levels. Our food service receives high ratings from guests.

- With advance notice, we are able to work with many special dietary needs for a special rate.
- Meals are prepared for a minimum of 16 persons.
- If using food service, a minimum of two meals is required.
- Final meal counts and dietary restrictions are to be reported 2 weeks prior to your arrival. Changes to these counts and restrictions after the 2 week deadline may incur a surcharge.
- You will be charged for the actual number of meals served, or 90% of the reserved number, whichever is greater.
- We do not currently have a full-time Food Service Manager, so meal requests need to be made when you make your reservations. Blackout dates may apply to Food Service.
